

Dancing with the Fae

A Tejas Web weekend event for the whole community

Friday evening December 3 – Sunday afternoon December 5, 2010

Near Austin, Texas

Who are the Fae? Also known as the People of Peace or the Shining Ones, they are humanity's closest cousins. They are the guardians of the sacred land, weavers and shapers of our world. We often speak of working in partnership and alliance with them, and we honor them in our rituals.

In this all-ages weekend of magical play and work, we will seek to experience and to understand the nature of Faerie and of the Fae. We will sing and drum, play dress-up, and create art and ritual in wild, green places beneath the sun and stars. We will journey into the realm of Faerie, walk the labyrinth, and dance with our shining cousins. We will honor old alliances and new, bridging the past, present, and future of our sacred partnership.

Join us to create this weekend of magical community.
